

A Magnum Opus FUTOSHIKI Puzzle

A 5x5 Futoshiki puzzle grid. The grid consists of 25 empty square cells. The numbers 2 and 4 are placed in the second and third rows, second column. Comparison symbols are placed between cells: less-than signs (<) between the first three cells of the first row; less-than signs (<) between the first and second, and second and third cells of the second row; a less-than sign (<) between the first and second cells of the third row; a less-than sign (<) between the fourth and fifth cells of the fourth row; a less-than sign (<) between the fourth and fifth cells of the fifth row; a less-than sign (<) below the first cell of the first row; a less-than sign (<) below the fifth cell of the first row; a less-than sign (<) above the fourth cell of the third row; a less-than sign (<) below the fifth cell of the third row; and a less-than sign (<) to the right of the fourth cell of the fifth row.
